

Dear Commissioner Henney

KW

June 17, 2000

I am writing to strongly urge you to act on the HFA petition to put an end to the practice of dead pigs, horses, and other animals to other farm animals.

This not only an unhealthy practice for the animals, it is also an unhealthy practice for consumers. Cows, for example, are not meat eaters by nature. Depriving them of natural diet and thereby forcing them to eat dead animals is stressful and out of balance w/ their constitution.

Please, act on the HFA petition that halts this practice.

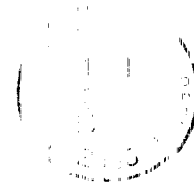

Thank you,

Jennifer Sitzer
